JOB EXPERIENCE

Duncan Dance Academy school | Ballet teacher *12/2025-07/2026*

- **Ballet Instruction:** Delivered structured ballet training tailored to students' levels, covering technique, posture, musicality, and performance skills; monitored progress and provided targeted coaching.
- **Choreography & Rehearsal:** Independently choreographed and rehearsed ballet pieces for stage performances, coordinating movement design, rehearsal execution, and final stage presentation.

Zhongchuan Bobijian (Beijing) International Media Co., Ltd. | Performance Director *04/2025-07/2025*

- **Talent Management:** Managed contestants throughout the production process, including communication, content coordination, interview follow-up, and performance preparation.
- **Content Planning:** Identified contestants' individual characteristics and developed compelling stories and content highlights to enhance program storytelling and audience engagement.
- **Production Coordination:** Coordinated with directors, scriptwriters, and production teams on filming arrangements and on-site recording, ensuring smooth execution and stage presentation.

Beijing Shimi Wenyu River Amusement Park Co., Ltd., | Program director *01/2025-04/2025*

- **Program Development:** Created and arranged language- and dance-based programs, coordinating content development and performance design to meet program requirements.
- **Immersive Experience:** Developed an immersive performance concept inspired by traditional Chinese Spring Festival customs, integrating cultural elements into program design and audience experience.

PROJECT EXPERIENCE

Exploring Neuroscience and Immersive Theatre: Dance-Based Narrative, Humanity, and the Expression of the Five Senses

- **Interdisciplinary Research:** Developed an immersive dance theatre project integrating neuroscience theories of the five senses with narrative philosophy, exploring human nature, morality, and different forms of love through movement and spatial relationships.
- **Creative Practice:** Designed a linear narrative structure and choreographic framework to translate abstract themes of good and evil, emotional connection, and moral transformation into an immersive audience experience.

Exploring the Intersections of Immersive Dance Theatre: Theory, Practice, and Impact on Human Experience—*Distinction*

- **Research & Methodology:** Investigated the theoretical and practical foundations of immersive dance theatre, with a focus on choreographic approaches, creative processes, and research methodologies.
- **Social Impact:** Explored how immersive dance theatre can engage audiences with contemporary cultural and social issues through embodied movement, spatial interaction, and participatory experiences.

Exploring the Creation of Immersive Dance Theatre Based on Jiangxi's Local Revolutionary IP from the Perspective of Locality

- **Creative Research:** Explored how Jiangxi's local revolutionary heritage and cultural characteristics could be integrated into immersive dance theatre, examining innovative approaches to dance drama creation and storytelling.
- **Script Development:** Designed an immersive theatre script centered on the Nanchang Uprising, incorporating local cultural elements and immersive storytelling techniques to enhance audience engagement. Recognized as an Outstanding Undergraduate Thesis.
